Country Strings to perform
RSVP 274-4222**

Columbus West Park Adult Day Services

Columbus West Park Adult Day Services offers day-time supervision and special assistance in a family type setting. We are located in a refurbished home comfortably furnished to provide a "home like" environment. We can help your loved one remain at home for a longer period of time, by providing a safe, supervised weekday program.

Our hours are 6:30am until 6:00pm. We offer activities, recreational programming, medication administration, meals and snacks, social services and family support.

Columbus West Park Adult Day Services is a home away from home for seniors. We offer the perfect setting and a great place to make new friends! Pictured here are two of our clients enjoying our screened in porch overlooking our large backyard.

Administrator-in-Training at Columbus West Park

Our own Marketing and Community Relations Coordinator Leo Welsh will be entering the Administrator-In-Training program on July 1, 2007. This is a nine month internship program overseen by the Ohio Department of Health Board of Examiners of Nursing Home Administrators. Leo is pictured here with his Preceptor Sarah Mitchell, Administrator.

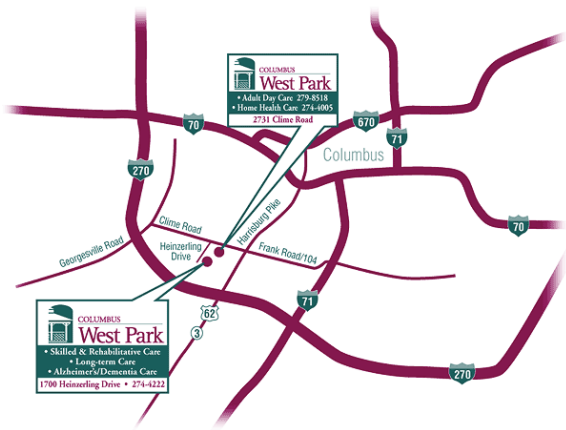

Columbus West Park receives Certificate of Excellence

Columbus West Park received a Certificate of Excellence from Odyssey HealthCare during National Nursing Home Week in May. The certificate was presented by Jackie St. John of Odyssey to Columbus West Park President and Owner Tom Stewart in appreciation of our continuous commitment and dedication to our patients.

Summer Fun at CWP!

The Activities Department at Columbus West Park has scheduled many fun visitors and outings this summer. In June alone, Susan Redmond, Curtis Chamberlain, Mike Stanley, Donna Marie and Brian Smith will be coming in for separate performances for the residents. There will be outings to different restaurants for breakfast and lunch, and a country drive to let the residents enjoy the sights around Columbus. The highlight will be the Family Night Supper on July 2nd. This event is held annually in our central courtyard.

New Wound Care System Offered

Columbus West Park provides skin/wound care in conjunction with a team of experts from the Northeast Surgical Associates Wound Management Services, under the supervision of Dr. S. Kwon Lee. In recent years we have not been able to offer wound vacuum care. We have just partnered with MediStat to offer negative pressure wound therapy with their Blue Sky wound vacuum system. Call Amanda in Admissions for more information!
