

# Home Health Care

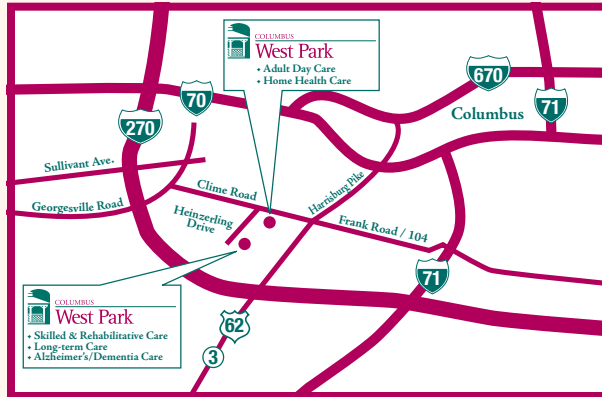

Our home health care services help relieve the emotional stress of family caretakers while allowing your loved one to remain in their home. By providing support services in the home, our goal is to help your loved one maintain their independent living status as long as possible. Home health care services include:

- ♦ Personal care assistance
- ♦ Meal preparation
- ♦ Homemaking services
- ♦ Caregiver respite
- ♦ Individualized care plans
- ♦ In-depth RN assessment
- ♦ Home supervisory visits
- ♦ Transportation services

Our home health care program is an approved provider under the Senior Options program. Private pay financial arrangements are also accepted.

## Skilled & Rehabilitative Care

Sometimes we need a little help to get back on our feet. That's why Columbus West Park offers skilled nursing and rehabilitation that is designed to get your loved one back home quickly. Unlike many other centers, our on-site licensed staff provides therapeutic services seven days a week, including:

- ♦ Physician directed care
- ♦ Physical therapy
- ♦ Occupational therapy
- ♦ Speech therapy
- ♦ Restorative nursing
- ♦ Extensive wound care therapy
- ♦ Pain management therapy

Ancillary services available on-site include:

- ♦ Hospice and palliative care
- ♦ Psychological and social services
- ♦ Optometry and podiatry services
- ♦ Dental services
- ♦ Pharmaceutical and medical equipment
- ♦ Salon, beauty and barber services
- ♦ Audiological services

## Long-term Care, Alzheimer's / Dementia Care

When long-term care becomes necessary, Columbus West Park strives to make the transition as smooth as possible for families and residents. Our comfortable setting provides a home-like atmosphere that encourages visits and socialization any time.

Our center offers:

- ♦ 100 private and shared rooms
- ♦ Traditional and private gathering areas
- ♦ Dining options, including a private dining room for special occasions

We also offer a separate, secure and specialized unit and courtyard for individuals affected by Alzheimer's disease and memory disorders. A calm, structured environment promotes dignity and respect while minimizing anxiety and confusion for our residents. The small personalized nature of this program contributes to the overall well-being of our residents.

- ♦ Individual and small group enrichment-based activities
- ♦ Private, secure enclosed courtyard

## Adult Day Care

At Columbus West Park, our adult day care service offers a convenient "home away from home" option for individuals who do not need long-term care services, but benefit from daytime supervision and enrichment. Located in a beautifully restored house thoughtfully furnished with antiques, this unique program fosters companionship and wellness within a personalized setting. Led by a registered nurse with more than 25 years of geriatric experience, our qualified staff includes:

- ♦ Personal care assistance
- ♦ Family style meal and snacks
- ♦ Caregiver respite
- ♦ Medication administration
- ♦ Transportation pickup and return home options
- ♦ Specialized individual and group activities

The adult day care is an approved provider under the Senior Options, Passport, and Private Pay programs.
